"I love to volunteer in the kids' schools because it gives me a chance to be a bigger part of their lives. I feel like I get to know their friends and teachers which makes us understand each other better around the dinner table at night. My father was always very active in my childhood and it's something I'll never forget."

"I volunteer at school because it makes me feel more connected to my kids and their lives at school. I'm lucky to be available to do it and feel that it's important to help out so the kids can get the best experience they can out of school. I also like for my kids to see that it is important to help out in the community."

"If our children see my wife and me at school helping, then hopefully it will sink into their heads that if we value these things – and them -- enough to spend time and energy volunteering there, they will value school too. I am glad to volunteer to help ensure my children have access to the events and opportunities they might not otherwise have."

"I volunteer for the School and PTO for the kids! I love to see them smile. Between doing bulletin boards, Mother's Day Plant Sale or the PES PTO Spring Carnival, I get to see tons of happy children smiling and laughing. That is exactly why I volunteer: For The Kids."
~ Nanci Uliano

"I enjoy being a part of the community through Region 15 and Pomperaug Elementary School. Volunteering helps me to meet a wonderful range of people, while strengthening my skills that may be needed or that I even get to learn new ones from other volunteers. I personally find it rewarding and know that my children are proud to see me involved and that I can aid their school in any way possible."

"Volunteering helps me to be involved and contribute at the school in any way I can. I have met really nice parents and teachers who want to see MES continue to be a positive experience for their child. Plus, my kindergartener likes to see me at school and most of her classmates think I work there!"

"Volunteerism is a rewarding opportunity to enhance and supplement school programs and provide safe, fun opportunities for all our school families to enjoy. Children model parental behavior and when they observe mom or dad volunteering and taking an active interest in school life, they'll do the same for their kids, and we all win!!"
