

Summer Math Practice Session Information and Directions

Attention all students: You may log on to complete the 2011 Summer Practice Sessions after August 1, 2011

Incoming grade 6 students: You will receive your RMS log in information with your schedule in August.

Directions for logging in to the Limelight testing system.

Go to the [RMS homepage](#).
Scroll down on the left and click on the student tab
Click on "[District Testing Limelight](#)"
Use the login id and password you use on the RMS school computers.
Click on "Online tests"
Look for "You have a test waiting" or scroll down to the math class.
Click on "Take this test"
Do the best you can and click finish after you answer the last question.

If you have trouble logging in, practice sessions are available in Microsoft Word format on the RMS website. You may print the reviews and bring them to school in the fall.

Directions for printing the practice sessions

Go to the [RMS homepage](#).
Scroll down on the left and click on the student tab
Scroll to "Summer Math 2011"
Scroll to appropriate grade level
Click on the practice session you want to print.

If you need further assistance, please contact Mrs. Burke at kburke@region15.org

Need some help with the review? Explore these websites. They offer lots of online activities that will help review important skills and concepts.
