

COLLEGE PREPARATION FOR STUDENTS WITH DISABILITIES

December 2nd, 2016

8:30am - 12pm

Middlesex Community College

100 Training Hill Rd, Middletown, CT 06457

Room 808 A-D

Dr. Jane Thierfeld Brown will facilitate a discussion about student preparation for the college environment. Students with disabilities are often underprepared and/or unaware of the multitude of new academic and social requirements for college. Special education teachers and school counselors are invited to a morning of discussion around student transition to the college environment. For many students, the provision of accommodations is simply not enough. Come learn new ways you can help your students prepare for a smooth transition to college.
