Pomperaug High School
234 Judd Road, Southbury

Tuesday, November 8

3:30 PM – 5:00 PM

Rochambeau Middle School
100 Peter Road, Southbury

Flu vaccine available for children 6 months and older.

Available Vaccines:	Quadrivalent Flu Vaccine	\$30.00
	High-Dose Flu Vaccine	\$65.00

- **Quadrivalent vaccine** - for persons 6 months and older. The “regular” flu shot.
- **High-Dose vaccine** - available for persons 65 years and older. Formulated to provide a more robust immune response. Studies have shown that the high-dose flu vaccine is safe and more effective than the regular flu vaccine, however, the CDC (Centers for Disease Control & Prevention) does not express a preference for any flu vaccine indicated for people 65 and older.

The following insurances are accepted:

**Medicare (Part B) • ConnectiCare • Aetna • Cigna
Anthem Blue Cross & Blue Shield • HUSKY for children to 18 years**
Insurance card must be presented at clinic.

UnitedHealthcare, Access Health CT / CT Exchange plans (gold, silver, bronze), and other insurances are NOT ACCEPTED

Persons with insurance that is not accepted must pay by cash, check, or credit card
