

REEL* ENTERTAINMENT 7TH GRADE MOVIE REVIEW

A movie review can be a valuable resource for a moviegoer. Reading a review that you respect, or by a reviewer whom you respect, helps the consumer choose movies more likely to suit his tastes. Some of us don't want to waste time or money on an unenjoyable film, so a review helps us get right to movies we are likely to appreciate.

You are going to review a movie for your classmates. This can be a theater presentation or a video, but it must be one you can currently review. In other words, even if it is a movie you have seen before, you must see it again for this assignment.

Use this sheet to take notes while you are watching the movie.
